Mission Statement

The Pikes Peak Community College Library provides an environment which stimulates and nourishes the growth of ideas, and guides learners in their pursuit of knowledge. In support of the mission of the college, the Library’s focus is to provide services, resources, and instruction that promote student success.

Objectives

To support this mission, the Library and its staff are committed to the following objectives:

- Teach information literacy skills so that learners are equipped to research, evaluate, and utilize pertinent resources.

- Provide welcoming and respectful services in an environment conducive to study, research, and inquiry by all users.

- Provide an accessible and relevant collection of materials in a variety of formats to support the diverse PPCC population and community users.

- Provide professional development opportunities to library staff in order to improve the quality of service and resources.

- Provide services and resources that support the faculty, the curriculum, and the College's learning outcomes.

- Seek out new technologies and methods to ensure the timely delivery of information, service models, and materials.
